Targets:
- 65% Families
- 20% Elderly
- 15% Disabled
Goal 1: Balanced Assistance

- Intent: To establish priorities for target population groups.
- Divides housing assistance into three categories that sum 100%.
- Who is not included?
- For consideration: Establishing targets based on housing need for specific population groups.
Who is Homeless in Arlington?

1. An individual or family who lacks a fixed, regular, and adequate night time residence.
2. An individual or family who will imminently lose their primary night time residence.
3. Unaccompanied youth under 25 years of age, or families with children and youth, but who are moving from residence to residence or couch to couch.
4. Any individual or family who are fleeing domestic violence or other abusive conditions.
How do we measure homelessness?

- Annual Point in Time “Head Count” Survey – every January.
- Arlington Public Schools count of homeless children.
- 100 Homes Campaign Registry – began Oct. 2011
- Monthly reporting in shared database by all agencies working with homeless populations – Homeless Management Information System (HMIS).
How big is the problem in Arlington?

Point in Time Survey, January 2013

• Total number of homeless persons counted in 2013: 479
  • 266 single adults
  • 2 children in household with only children
  • 211 adults/children in families
• Bad news: 6% increase in total since 2012 (451 counted)
• Good news: 6% decrease in total since 2009 (511 counted)
• Alexandria and Fairfax both decreased from 2012 to 2013 – Alexandria by 22% and Fairfax by 12%
• Largest share of homeless relative to total population, after DC. Arlington: .22%; DC: 1.09%; Alexandria: .19%; Fairfax: .12%
We have a plan and the means to do something about it

10 Year Plan To End Homelessness

- Adopted by Board in 2006, launched in 2008
- Over 100 stakeholders from 50+ public, private and faith-based community organizations.

Basic Principles:

- “Housing First”
- Systems approach
- Coordination among non-profits & County
- Pool resources
- Reduce time in shelter
- Attach services to housing
What does it mean to “End Homelessness?”

- **INCREASE**: The supply of affordable housing
- **PREVENT**: Homelessness at every opportunity
- **MOVE**: Individuals and families from the streets and shelters quickly into permanent, stable housing
- **PROVIDE**: The vital services that households need to maintain their housing
**Target 2A:** Reduce the number of unsheltered homeless by half by 2015
